**Big Sur Advocates for a Green Environment**

**INVITES YOU TO PARTICIPATE IN AN:**

# **OUTSIDER ART SHOW**

**OCTOBER 9-24**

**THE HENRY MILLER LIBRARY**

***We ask that all art be created from trash, however you define it. Please find and reuse items instead of purchasing them. Our intent is to provoke a naïve look at “junk”, to cast it into the mental furnace of art to forge something raw and individual. We hope Big Sur’s fringe vibe and location will serve as inspiration for marginal art.***
